

Minnows Ages 4 & 5 Week 8 August 12 - August 16					
	Monday - August 12	Tuesday - August 13	Wednesday - August 14	Thursday - August 15	Friday - August 16
Morning					
	Literary Outing	Live lobster Studio 2	Water Safety Class	Basketball	Ball bouncing and catching
	We're off to Sayle's Seafood to sit on their harbor view porch for the story, <u>Lindie Lobster, A Tale of Big Claws</u> by Suzanne Tate, Illustrated by James Melvin followed by meeting their lobsters!	We will wax and water color our magnificet lobsters	Longfellow's Whale Tales Red Cross Curriculum	Skills & Drills & maybe the NBA to follow! (+gross motor enrichment)	Two hands, one hand, dribbling and catching small & large balls (+ gross motor enrichment)
		Story & Playground	Let's practice kicking the soccer ball correctly in to the net and remember; NO HANDS!		Dreamland Theatre
	Live Lobster Studio 1	Crafts	Castle Building & Crab Catching at Jetties Beach	Ice Skating Party	Live performance of The Lion King
		We will sketch the lobster's big lobster claws, eight legs, long body and tail while observing how they interact with each other	Lacing, Beading and Stickers (+fine motor enrichment)	Exploring with nets around the Jetty for crabs & minnows! We'll be in a securely-lifeguarded beach area of Jetties Bay.	
Afternoon	Lunch; Camp is nut free due to campers in attendance with allergies. Please read ingredients. Appreciated!				
	Marine Collecting	Swimming Lesson	Tennis at Jetties Courts	Swimming Lesson	Ice Cream Cruise with Sheerwater Excursions
	We will be catching all sorts of marine creatures at the Harbor Creeks. Last week, we even netted gigantic horseshoe crabs. We will then gently release them back to their habitat	Assessments & splashing fun! Skills taught for campers apprehensive of the water via pool toys & games - all about building confidence at this age! (+gross motor & sensory enrichments)	Let's practice our tennis swings and get the ball over the net! (+gross motor enrichment)	Splashing fun! Skills taught for campers apprehensive of the water via pool toys & games - all about building confidence at this age! (+gross motor & sensory enrichments)
